The Light BARK

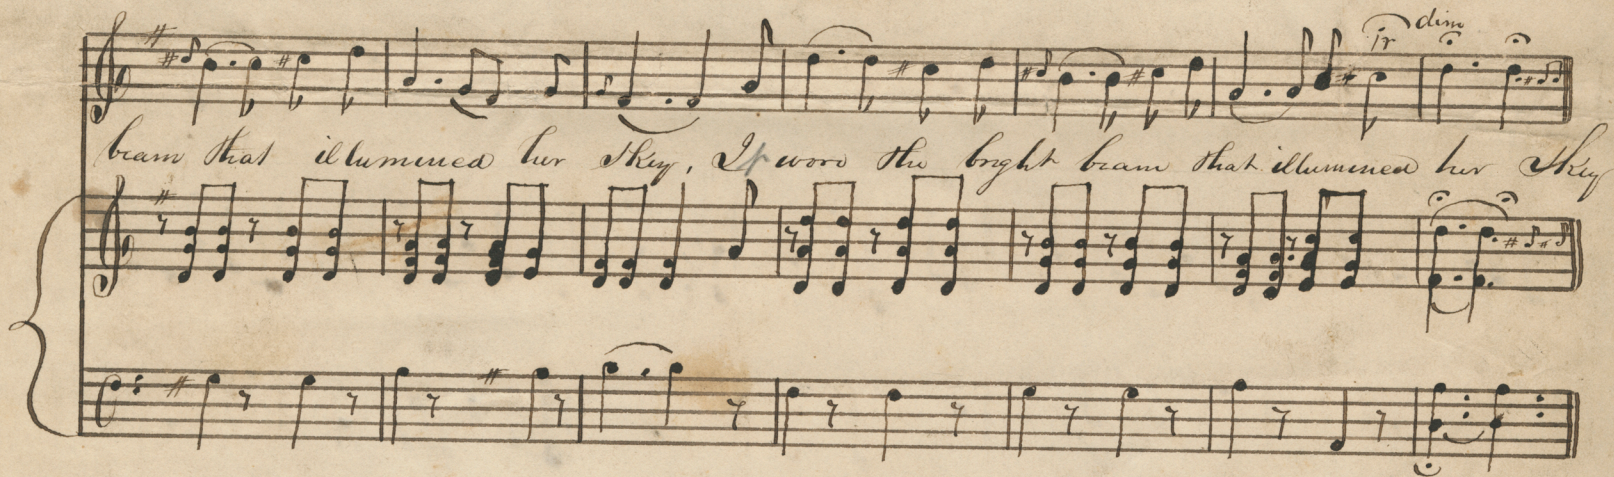

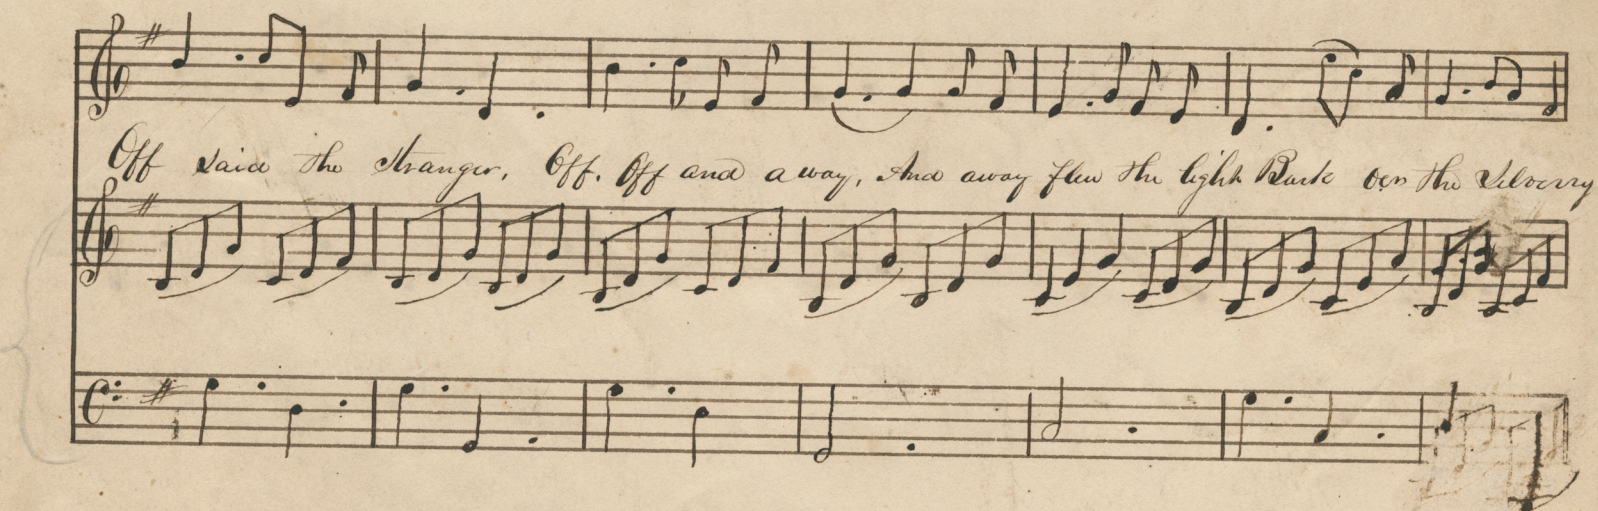

The Young roving lovers, their vows have been given - An smilee over by mortals, but

Shallowed in Heaven, She was Edly daughter I knew by her Eye. It was the bright

beam that illumined her Sky, It was the bright beam that illumined her Sky

Off said the Stranger, Off, Off and away, And away flew the light Bards on the Velocity

Day And she has forsaken her

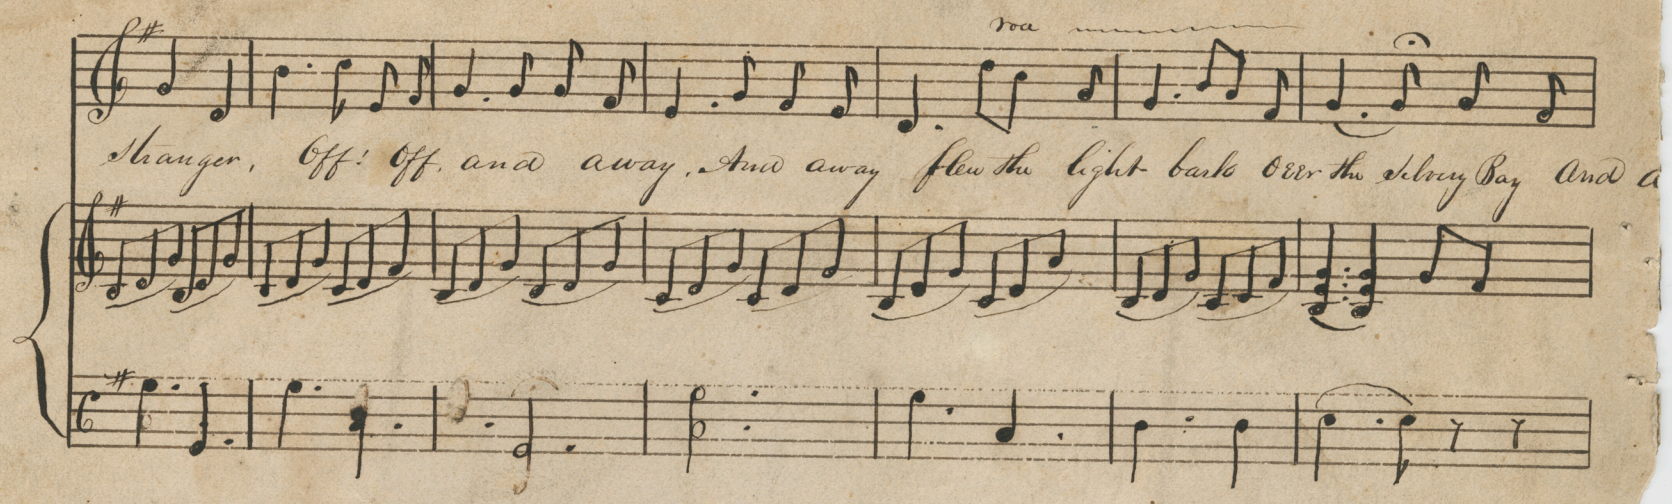

Palace and Halls For the chill breeze and the light which faus, over the fens

waro from the Heavens a m love and their guiding star was the bright star of

love And their guiding star was the bright star of love Off! said the
